

Accommodations for Out-of-Town Guests

Out-of-town guests often require overnight accommodations either before or after their visit to University Hospital. Patients and family members traveling some distance for day surgery, an outpatient diagnostic procedure, cardiac catheterization, or an A.M. Admission also may need overnight accommodations.

A number of Augusta hotels/motels offer discounted rates for patients and/or their families needing to stay

in the area. Reservations are made directly with the hotel/motel. Please ask for the University Hospital rate when making a reservation.

Special arrangements through facilities such as the Ronald McDonald House may be made by calling the University Hospital Care Management office at 706/774-2494.
