Category 1-Condition Level Nonconformity Findings:

IC - Infection Control - (CoP Reference: 482.42)

A follow-up survey was conducted on 5/3/2021 and verified that the corrective actions have been implemented regarding these Category 1 Condition Level Nonconformities and the hospital is now in compliance.

This accreditation requires an annual survey and the organization's continual compliance with the DNVHC Accreditation Process. Failure to complete these actions or otherwise comply with your Management System Certification/Accreditation Agreement may result in a change in your organization's accreditation status.

Congratulations on this significant achievement.

Sincerely,
